

Monday Dec. 15.

My Dear Annie: -

Well how are
you all by this time. Thought sure
I would be with you by this
time but seems I can not get
things fixed up. Am busy trying
to get ready for Xmas. Wish we
could be together. Miss things I
you many many times. Can't
write a long letter as I am due
back at the store. We have to work
evenings from now till Xmas.
Miss send a little box to you in
a day or two as the mail men
getting heavy so will give it -
plenty of time but don't open
till Xmas morning. Just a

little remembrance.
Do write soon, and after, Tanny
is visiting in Ross Lake, Idaho.
All my love and kisses to you all
Sincerely Nellie
